Act of 2023

S.1797/H.R.3346

IMPACT TO SAVE MOMS ACT

INNOVATION

This bill seeks to transform the delivery of care through the creation of a new CMS Innovation Center demonstration project.

How maternity care is paid for can influence outcomes for pregnant people and infants.

This bill requires the Centers for Medicare and Medicaid Services (CMS) to establish the Perinatal Care Alternative Payment Model Demonstration Project to allow states to test payment models for maternity care, including postpartum care, under Medicaid and the Children's Health Insurance Program (CHIP).
